

Website name: 5 Years of Fashion Trends

Description: This website will show how fashion trends have changed and evolved from 2020-2024. Each year brought new styles into play, influenced by cultural events, celebrities, and innovation. There will be one page dedicated to reflecting the trends that dominated each year. I will include, what I consider, to be the main influences, supported by images and other online sources. The aim is to inspire fashion lovers and to allow the public to see how trends are cyclical and represent their time.

Page Names:

1. Home/Overview
2. 2020
3. 2021
4. 2022
5. 2023
6. 2024
7. 2025 Predictions

Data:

Each trend within the year will include:

- Trend Name: A name for the trend (e.g., "Athleisure")
- Description: A brief description of the trend
- Year: Timeline of popularization
- Image: A visual representation of the trend
- Context: What made it so popular?

I want this website to be open to the public, no account is necessary. However, only the administrator (me) will be able to edit the site.
